

**Bradley University  
International Study Program  
Friedrichshafen, Germany**

**ME 302 – Thermodynamics II – Dr. Martin Morris**

Class Starts May15, 2008 in Peoria  
Travel May 17, 2007 and return June 6, 2008.  
6 Classes to be held in Peoria, IL.  
Classes to be held in Friedrichshafen, Germany, sister city of Peoria, IL.

- ME 302 is a 2 hour course that requires at least 28 contact hours of lecture and a final exam.
- Each class day will extend from about 8:30 AM until 4:30 PM and include: two lecture periods
- Students should have most evenings free to enjoy the local hospitality.
- We are hoping to include tours of local industry if they can be arranged.
